Archer attorneys **Charles Dennen** and **Thomas Tyrrell** co-authored *The Legal Intelligencer* article, “New Interior Department Rule Proposes Increase in Cost to Acquire and Maintain Federal Oil and Gas Leases,” writing about a new bill that will aim to modernize federal oil and gas leasing regulations. These regulations have not been significantly modified since 1988, and this new rule comes amid increased scrutiny over whether existing regulations are outdated and no longer protective of the federal government’s fiscal interests.
