

# Prepping For PFAS Approval Under EPA's New Framework

## Articles

08.01.2023

---

Archer attorneys [David Edelstein](#) and [Charles Dennen](#) co-authored the *Law360* article on August 1, 2023, "Prepping for PFAS Approval Under EPA's New Framework," where they discussed the U.S. Environmental Protection Agency's new framework in addressing new per- and polyfluoroalkyl substances (PFAS) and new uses of PFAS, along with potential health risks and environmental risks associated with PFAS, and how EPA's new framework plans to address them.
