Attorneys **Vinita Banthia**, **Matt Conley** and **Daniel Farino** write about the natural resource damages litigation revival in New Jersey in their co-authored *New Jersey Lawyer* article, "Natural Resource Damages in New Jersey - Six Years After Litigation Revival, More Guidance Needed." The current litigation push has focused on pursuing NRD claims with a goal of incentivizing more voluntary NRD settlements by responsible parties. However, the NJDEP would likely see more voluntary NRD settlements if it provided more guidance and certainty as to how these damages will be calculated.
