

Ethics in M&A Transactions

Speaking Engagements & Seminars

11.14.2024

Partner **Kayci Petenko** will be a panelist at the 2024 Philadelphia Tax Summit for the session, “Ethics in M&A Transactions,” which will address typical ethical issues that may arise during the course of M&A transactions through the lens of tax. The Philadelphia Tax Summit features panels of expert practitioners and members of the tax and accounting community from government, industry and private practice that will provide an in-depth discussion and examination of the latest federal, state, local and international tax policies, legal and regulatory developments and planning trends.
