

# Career and Client Development in a Hybrid World from a Woman Practitioner's Perspective

Speaking Engagements & Seminars

03.26.2025

Presented by: Amy E. Pearl

---

Attorney [Amy E. Pearl](#) will be a panelist for the Rutgers Law School program "Career and Client Development in a Hybrid World from a Woman Practitioner's Perspective." Join Amy in examining how today's hybrid work environments have affected career and client development within the legal profession from a woman practitioner's perspective. This program will also examine best practices, tools and resources that have been effective in supporting client development and career advancement of women in the legal profession.

Click [here](#) for additional program details and to register.
