Archer congratulates its attorneys included in the 2025 New Jersey Super Lawyers and Super Lawyers Rising Stars lists.

**No aspect of this advertisement has been approved by the Supreme Court of New Jersey.*

The publishers of *Super Lawyers* recognize attorneys who have distinguished themselves in their legal practice. Attorneys are chosen for this honor through a statewide nomination process by colleagues, peer review by practice area, and independent research on candidates by *Super Lawyers* staff. The rigorous process is designed to identify lawyers who have attained a high degree of peer recognition and professional achievement. Only five percent of attorneys in the state of New Jersey are selected for inclusion in *Super Lawyers*. The selection process for *Rising Stars* is similar except candidates must be either 40 years old or younger, or in practice for 10 years or less.

Super Lawyers complete methodology description can be found [here](#).
