

The Second Act of Cannabis Event

Speaking Engagements & Seminars

05.14.2025

Presented by: William J. Caruso, Douglas Diaz

Attorneys **Bill Caruso** and **Douglas Diaz** will be serving as panelists during the NJBIA half-day cannabis industry conference "The Second Act of Cannabis in the Garden State." Conference attendees will explore real impacts to New Jersey businesses operating in the recreational cannabis marketplace. The event will focus on employer human resources challenges any business can face, including liabilities and risks, and will discuss how the cannabis industry may evolve under a new federal administration. During the conference, Bill, who is chair of Archer's **Cannabis** Group, will serve as moderator for the program "Cannabis Market Trends Impacting New Jersey Businesses." Douglas, a member of Archer's **Labor & Employment** Group, will be a panelist for the program "Balancing the Highs - Employee Policies and Workplace Practices in a Cannabis-Legal World."
